

# Microsoft Dynamics Services Overview

## DELIVERING SOLUTIONS

Whether you need enterprise architectural guidance, end-to-end project implementation services, or something in between, our team of Certified Microsoft Professionals can help. We work with customers looking to implement Microsoft Dynamics from the ground up and those already leveraging Dynamics today. Existing clients may be looking for ongoing process improvements, development support, have a new project, or need to get more ROI out of their system. We find the solution for your business needs. We offer a full range of Microsoft Dynamics consulting services to clients of all sizes, including small and medium businesses and Fortune 500 enterprises. As a Microsoft Gold Partner, we bring extensive skills with the Microsoft platform and associated technologies to help you succeed with your technology initiative.

## WHY WORK WITH XTIVIA

XTIVIA has been a Microsoft Gold Partner since 2002. CRM & ERP tools alone cannot improve your company's customer relationships. To truly achieve results, you need solutions personalized to your specific needs. Our combined experience of over 100 years integrating CRM, ERP & other back-office systems is here to provide your business with the necessary solutions.
