

# Microsoft Services Overview

## DELIVERING SOLUTIONS

As a leading technology solutions provider with a proven track record of expertise in the Microsoft ecosystem, we have a passion for innovation and a commitment to excellence to empower businesses of all sizes to harness the full potential of Microsoft's suite of products. With so many options, we specialize in tailoring Microsoft product solutions to align with our customer's unique needs and objectives, ensuring they get the most value from their investments. Whether navigating complex Microsoft licensing options to optimize costs, the need for seamless migration from legacy systems to minimize disruptions or cloud integration needs, we prioritize the highest security standards and regulatory compliance and aim to enhance productivity and foster collaboration among teams. XTIVIA will handle your ongoing support and maintenance.

## WHY WORK WITH XTIVIA

XTIVIA has been a Microsoft Gold Partner since 2002. Our solutions optimize business processes, increasing efficiency and productivity while reducing unnecessary costs. CRM & ERP tools alone cannot improve your company's customer relationships. To truly achieve results, you need solutions customized to your specific needs. Our combined experience of over 100 years integrating CRM, ERP & other back-office systems is here to provide your business with the necessary solutions.
